at the **TACK** Who do we ♥ ? Oh, so many! LuCille Tack, for sure! The folks who contribute to our Community Giving Circles and who sponsor shows, making ticket prices more affordable for EVERYONE; the volunteers who graciously give of their time and energy to help the Tack run smoothly on a very frugal budget; anyone who has taken a chance on a show they weren't sure about, but who came away with a n appreciation for ideas, styles and culture they didn't have when they walked in the door are ALL on our "We ♥ You List!"

If you've been reading this column for a while, you're aware of another group with heart coming to the stage - the band HEART BY HEART, featuring original HEART members Steve Fossen and Michael Derosier. Based in Seattle, they've been touring the country more than five years and their fans revel in the authentic, powerful and passionate performances of favorite HEART hits like "Barracuda," "Crazy On You" and "Magic Man," as well as less often heard album cuts. But don't take our word for it! Check them out online and then jumpstart your Valentine's Day weekend by taking your honey to the Tack on Thursday, February 13. The early 7:00 pm curtain will have you home before the news. We believe you will ♥ them! For tickets and more information, visit lucilletackcenter.com or call 715.659.4499.

Hometown girl Liz Sallee (SHS '97) is all grown-up and married with kids of her own. In fact, Liz Sallee Bauer has three charming children who star in her photos, many of which have been featured in publications all over the world. Their unplugged upbringing affords them the opportunity to explore nature, while Mom's camera lens captures their colorful adventures. Sallee Bauer's heartwarming artwork will be featured in the Gallery this month. Join us for an Opening Reception on Friday, February 7 from 5 - 7 pm when you can greet Liz, admire her incredible exhibit and have a nibble before heading out for the rest of your weekend. There is no admission charge.

New in 2020, the LuCille Tack Center is offering ART NIGHT, a chance for **adults** to stretch their creative muscles and try something new without fear of judgment. On Wednesday, February 26 from 6:30-8:00 pm, Spencer Schools Art instructor Carmen Schweiger will provide the materials needed to make a small felting project. Enjoy friendly conversation, soothing music and light refreshments, all at no charge. No need to sign up and no experience necessary, just come to the **Village of Spencer's Community Room** ready to be creative.

And just after the calendar page turns to March, auditions for the Missoula Children's Theatre production of GULLIVER'S TRAVELS will take place. Area youth, ages 5 to 15, are welcome to try out for one of sixty roles on Monday, March 2 from 4-6:00 pm. Those cast in the show will rehearse after school the rest of the week, giving their uplifting performance Saturday, March 7 at 2:00 pm. Please note that the schedule has been tweaked a bit and differs from years past. If your favorite youngsters are planning to audition, be sure to check lucilletackcenter.com for the details of these changes or call 715.659.4499 for more information.

We are officially past the halfway point of the year. The semester finals are in the books and it is definitely the opening of senioritis season. I have been very pleased with the work of our students and staff to make our first semester run smoothly.

We hope that this long drawn out process of dealing with the FEMA representatives is nearing the end. We have been asked and we have provided several layers of justifications in our grant application. In talking with our people in Madison, they too, are frustrated with the elongated process that we are being put through. We hope the end is

Spencer Area Historical Society

The Spencer Area Historical Society Museum is open on the 2nd Sunday each month 11:00 AM to 2:00 PM. We will open for groups by appointment. Ron 659-5182 or Jerry 659-5577, We are looking forward to seeing you. Come and enjoy.

Thayer Sawmill was in the area now occupied by the Partners Bank. The house in the picture occupied by Bodle/Shupe/Harrell. (Picture provided by Dan Harrell.)

Photo taken probably between 1882-1886.

From the Editor

Once again, Ron Draeger sent me a picture from the historical society. I was in that house once a few weeks before my tenth birthday. It was where my classmate Mark Harrell lived. I remember the World Series was on the TV. It was the Pirates vs. the Orioles. The Pirates won the series 4-3. Not sure who won that day. The series spanned from Oct.9 -17 in 1971. That house was as huge as it looks. Their living room was about as big as our house, or so it seemed. Very cool memory.

I'd like to devote some space each month to some historical society information. We'll see how it goes; but I believe in the importance of it.

"Those who cannot remember the past are condemned to repeat it."

That quote has been mainly attributed to George Santayna in 1905 and paraphrased by Winston Churchill in front of the House of Commons in 1948. By most accounts it originated with Edmund Burke (See HISTORY, page 6)

LEARN TO SQUARE DANCE IN A FEW SESSIONS!

Looking for a fun family activity? The Marshfield HoeDowners Square Dance Club is just the ticket. We are offering two sessions starting on Sat. Feb.22nd and again on Sat. Feb. 29th. The sessions are held at the Lincoln Town Hall, 10905 Falcon Road, Marshfield, from 10 to 3 pm with a light lunch provided. Cost is \$20.00 per adult and covers both Saturday sessions in February and also four sessions in March. There is no charge for youth ages 8 to 18 (if 18, and still in high school) for both the Saturday sessions and the four sessions in March. After our Saturday sessions, join our regular dance sessions on Wednesdays in March from 6:30-7:30pm.

Not only is square dancing fun, it also has many health benefits. Square dancing is great for your mind and body. Don't worry if you think you're not a good dancer or can't dance at all! Many people have tried square dancing and with minimal instruction, are out on the dance floor. Don't have a partner? Don't worry; you can come as a single dancer. What to wear? Casual dress is just fine.

If anyone has questions, or would like more information about square dancing, contact our club presidents, Wes and Ginger Reshel at 920-960-7299. We welcome new dancers to come and "give it a whirl". You'll be glad you did!

Spencer's SEL word for the month of February is EMPATHY.

Empathy is the ability to be able to put yourself in someone else's shoes and understand that person's emotions and feelings.

Research has shown that empathy is essential to building healthy and happy relationships with family and friends and to doing well at work (and for kids, in school).

Here are some ways parents and caregivers can work on Empathy...

- **Ask, "How would you feel?"** When a preschooler hits a sibling or a friend or takes away a toy they are playing with, for instance, a parent needs to try saying something like, "How would you feel if someone took your toy away?" or "How would you feel if someone hit you?" The same holds true for older children. Ask the question, "How would you feel if

- **Name that feeling.** To help your child understand emotions and feelings, identify and label them as much as possible. If your child behaves kindly toward someone, such as by trying to comfort a crying baby or friend, say, "That was very nice of you to be so worried about your friend; I'm sure it made him feel much better when you were so kind to him." If your child behaves in an unkind way, say, "I know you may feel angry but it made your friend sad when you took his toy from him."

- **Talk about good and bad behaviors around you.** We are constantly exposed to examples of good and bad behavior in real life and in books, TV, and movies. Talk with your child about the behavior you see, such as someone making another person sad or, on the other hand, someone helping others and making people feel better about themselves. One of the best ways to encourage empathy is to make children conscious of what they have in common with others.

- **Set a good example.** Your child learns about how to interact with people by watching you and other adults in their life. Show what it means to be a kind and loving person. Help family members and neighbors, support friends and others who are in need or having a hard time. Kids are heavily influenced by what we actually do, and less by what we say.

"If you can learn a simple trick, Scout, you'll get along a lot better with all kinds of folks. You never really understand a person until you consider things from his point of view, until you climb inside of his skin and walk around in it." - Atticus Finch in *To Kill a Mockingbird* (1962)

ROCKIN" from page 1.

near, but we have stated that before.

A few things I know to be sure, we will be moving forward with the Dome construction once the details are worked out with the FEMA grant. We have put out to bid, for the FCS room and bathroom renovations and the board will be approving them at a special meeting on Wednesday, February 4 at 4:00 p.m. At meetings end we will be one step closer to completing the FCS room renovation and upgrading our restrooms. Construction in those areas will begin as soon as school is out for the year. In February and March, approval of our excavation work will be brought to the board. The last bid process will be for the Dome and general construction that goes with it. Once we have our answers from FEMA we will be finalizing those. I appreciate and ask for your continued patience as we work through the tangled web some refer to as our government.

I look forward to seeing you at the 42nd annual cabaret which is on Feb. 2nd at 1:00 p.m. in the LTCA. If you want someone else to make lunch for you that day stop in at the Souper Bowl luncheon which runs from 10:30 a.m. - 12:30 p.m. in our school cafeteria. They will have a large variety of soups to choose from. Tickets are \$7.50 adults/\$5 children (12 years and under) and are available at the door.

We are rooting for our District's top speller, Nathan Kiefer, who will be competing at the CESA 10 Regional Spelling Bee at Stanley Boyd on February 6. Good luck Nathan!

All in all, it will be a very busy month. All of our sports seasons will be entering tournament play. Good luck and go Rockets!

I hope you are able to attend any or all of the activities planned for the coming month. Always good to see the community joining in on the successes of our kids.

HISTORY, from page 5.

(1729-1797) who said, "those who don't know history are doomed to repeat it".

No matter its' origins they are truly words to abide by and I will try to share some history and perhaps some nostalgia when space allows. Visit the historical society here in town with the hours listed on the previous page or make an appointment for your group using the phone numbers provided.

Thank you to everyone that made the Spencer Woman's Club's Tour of Homes a huge success. A \$500.00 check was given to the Village for the Christmas street decorations. Funds to replace the worn-out decorations are generated by donations from individuals or organizations, not tax dollars. Spencer Woman's Club has chosen a project each of the last few years to support such as the K-9, landscaping at the Municipal building, and the street decorations. Funds are raised through wreath sales, pie sales, the tour of home ticket sales, etc. They are now serving the refreshments at the LuCille Tack Center for the Arts intermission and the basket donation profits will also go toward projects. The next Tour of Homes will be held in 2021. If you are willing to open your home, please contact Mary Zahn at 715-613-3630. New members from the Spencer area are welcome to join Woman's Club. Meetings are held in the Village Meeting Room on the 1st Thursday each month at 6:30. If you have any questions, please contact Mary.

Stratford Continuing Education is offering the following classes in Spencer:

On Sunday, January 5th, Pastor Mark Neumann of Zion Evangelical Lutheran Church of Colby was installed as pastor of Trinity Evangelical Lutheran Church of Spencer. Pastor Neumann has served Trinity as its vacancy pastor for the past six months, and will continue to serve both congregations as their pastor under a multi-congregation parish agreement.
